

**Rothamsted Research and University of Nebraska-Lincoln
Joint Webinar Series**

Addressing the Challenges of Translational Plant Science Research

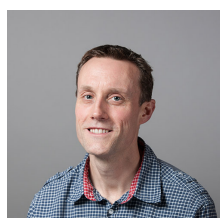

**ROTHAMSTED
RESEARCH**

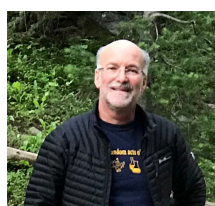

**UNIVERSITY OF
Nebraska
Lincoln**

**“Probing the Soil Microbiome for
Sustainable Crop Production”**

Dr. Tim Mauchline
Plant and Soil Microbiologist
Sustainable Agriculture
Sciences
Rothamsted Research

Dr. Daniel Schachtman
George Holmes Professor
Dept. of Agronomy & Horticulture
Director
Center for Biotechnology
Member
Center for Plant Science Innovation
University of Nebraska-Lincoln

Tuesday, February 9, 2020 9:30 am CST (3:30 pm GMT)
